

Curriculum Vitae

1. **Name and Sure Name : Hüseyin Gökçekuş**

2. **Data of Birth : 23/12/1960**

3. **Title : Professor**

4. **4. Education Status:**

Grade	Subject	University	year
Bachelor	Department of Geological Engineering, Faculty of Applied Science	Ankara University	1982
M.Sc.	Hydrogeology, Graduate School of Applied Sciences	Ankara University	1984
Ph.D.	Hydrogeology, Graduate School of Applied Sciences	Middle East Technical University	1990

5. **Academic Titles:**

Assist. Professor.Dr.:1 March 1992

Associate. ProfessorDr.: 28 October 1994

Professor:3 December 2001

6. **Supervised Master and PhD Theses**

6.1. Master Theses

Ali Hassan Al Massri, Water Treatment For Industrial And Other Purposes, Civil Engineering Department, Near East University, January 2019.

Raafat Al Zoubi, Rooftop Building Renewable Power System At Three Region Sin North Cyprus, Civil Engineering Department, Near East University, January 2019.

Ali El Zein, Study Of Service Quality And Customer Satisfaction Of Using Public Transport In Lebanon, Civil Engineering Department, Near East University, January 2019.

WendmagagnAddis, Chalnges of infrastructure development in Ethiopia focus on construction firms organizational effectiveness, Civil Engineering Department, Near East University, January 2019.

FrsatAbubakr, Geostatistical Analysis Of ground water Quality, Civil Engineering Department, Near East University, December, 2018.

AmrAbdeh, Volume change characteristics of TRNC clay samles, Civil Engineering Department, Near East University, March, 2018.

Salah Al Dubai, Effect of quarry dust euhansment on volume change characteristics of expansive clays. Civil Engineering Department, Near East University, March, 2018.

AhdShawaka., “Assessment of Traffic Congestion in the Central Area of Northern Cyprus”, Civil Engineering Department, Near East University, Nisan 2018,

SuatGhith, The Role of Private Sector for Building Urban Resilience, Civil Engineering Department, Near East University, December, 2017.

Mustafa Sıdal, KKTC Su Yönetimi, İnşaatMühendisliğiBölümü, Yakın DoğuÜniversitesi, December, 2017.

Samah J. Almaqadma, “Impact of Anaerobic Lagoons on the Performance of Bod and TSS Removal at Nicosia Waste Water Plan” Master Thesis. Nicosia 2008.

MajedHamad Abu Zahrah, “Alternative Path on Sewerage System;condominial method and its application” Master Thesis. Nicosia June 2005.

Baalousha, Y., “Developing a Quality Management Process Approach to ISO 9000”, Department of Civil Engineering, Near East University, Nicosia, August 2004.

Artemer, S., “KuzeyKıbrısTürkCumhuriyetiMilliEğitimBakanlığıMerkezÖrgütü”, EğitimBilimleriEnstitüsüEğitimYönetimveDenetim Ana Bilim Dalı, Yakın DoğuÜniversitesi, Lefkoşa, Ocak 2003.

7.7. Other publications

7.8. International references

From 2014 up today, 485 have been cited in total 699.

8. National and International Projects

BAB

1. Determination of the energy potential of process wastes and residues from the Lefkosa city Wastewater.
2. Investigation of energy production potential of organic greenhouse wastes in Güzelyurt region.
3. **TRNC Integrated waste management with a sustainable environmental approach Master plan and implementation principles:**
Sustainable environmental approach of the European Union for the TRNC and identifying the facilities considering inquire for an integrated waste management action approaches, principles for implementation of the preparation and Master plan that have been defined in this framework allows the water to be supplied from Turkey.

9. Administrative Tasks

2018 - Dean of Faculty, Faculty of Civil and Environmental Engineering, Near East University.

2017- Head of Department, Department of Civil Engineering, Near East University.

2013-2016, Higher Education Planning, Supervision, Accreditation and Coordination Board (YÖDAK), Chair of YÖDAK.

2010 – 2013, Higher Education Planning, Supervision, Accreditation and Coordination Board (YÖDAK), Board Member

2010 - International Council for Scientific Development (ICSD) Board Member, Mediterranean Region Responsible

2007-2010, International Council for Scientific Development (ICSD) International Academy of Science (IAS) - Health and Ecology

2004, Chairman of the Board, NEU Lifelong Education Center, Near East University, Nicosia, TRNC.

2002, Vice Rector, Near East University, Nicosia, TRNC.

2001- 2002, Secretary in General, Near East University, Nicosia, TRNC.

1998-2001, Rector's advocate, Near East University, Nicosia, TRNC.

2001, Board Member, Institute of Science and Social Sciences, Near East University, Nicosia, TRNC.

2000, Chairman of the Disciplinary Committee of the University, Near East University, Nicosia, TRNC.

1993 – 2005, Head of Student Affairs Department, Near East University, Nicosia, TRNC.

1992, Head of Department of Civil Engineering, Near East University, Nicosia, TRNC.

1992, Faculty of Engineering Faculty Board Member, Near East University, Nicosia, TRNC.

1992, Member of the University Senate, Near East University, Nicosia, TRNC.

2001, Federation President, TRNC Universities Search and Rescue Federation, Nicosia, TRNC.

2000, Association President, Near East University Search and Rescue Association (NEU-AKDER), NEU, Nicosia, TRNC.

1999- 2000, Commission President, Gönyeli Development Plan Commission, Gönyeli Municipality, Gönyeli, TRNC.

1999, Board Member, Cyprus Turkish Molecules Biology Association, Nicosia, TRNC.

1997, Institute Director, Near East University North Cyprus Earthquake Research Institute, NEU, Nicosia, TRNC.

1993–1994 President of the Chamber of Mining, Geology and Metallurgical Engineers, Union of Chambers of Cyprus Turkish Engineers and Architects, Member of the Board, Union of Chambers of Turkish Cypriot Engineers and Architects, Nicosia, TRNC.

10. Memberships in Scientific and Professional Organizations

1. International Council for Scientific Development (ICSD) International Academy Of Science (IAS) Health And Ecology, Innsbruck, Austria
2. National Groundwater Association, USA
3. European Geophysical Society
4. American Geophysical Union, USA
5. American Society of Civil Engineers (ASCE), Water Resources Engineering Division
6. Union of Chambers of Turkish Engineers and Architects Türkiye Petrol Jeologları Derneği

7. Turkish National Committee for Clay Sciences Uluslararası Mühendislik Jeolojisi Türk Milli Komitesi
8. Union of Chambers of Turkish Cypriot Engineers and Architects Chamber of Mining Geology and Metallurgical Engineers
9. The International Committee on Issues of Global Changes of the Geological Environment, "Geochange"
10. Solid Waste and Environmental Solid Waste Pollution Research and Control Turkish National Committee, Science
11. Higher Education Planning, Supervision, Accreditation and Coordination Board (YÖDAK)

11. Awards

- 1988, "Its Services to Geosciences in National and International Platforms" International Superior Service

Certificate of Awards ;

- 2008, "Gold Badge";
- 2007 - "International Academy of Science, Health Ecology" by Pavlov

Madalyası (Insburk-Avusturya);

- 2010 - 3 Mart, "NEU Scientific Research Award";
- 2013 - "Due to his contributions to the promotion of the TRNC in addition to his scientific work on national and international platforms", superior service, award and plaque.
